

SHAPING TOMORROW'S WORKFORCE

SKILLS, JOBS & THE NEW COLLAR ECONOMY

U.S. News & World Report STEM SOLUTIONS PRESENTS
WORKFORCE
OF TOMORROW

APRIL 4-6, 2018
WASHINGTON, D.C.
WALTER E. WASHINGTON CONVENTION CENTER

U.S. News & World Report STEM Solutions Presents: Workforce of Tomorrow is the preeminent conference for leaders across multiple industries, from corporate CEOs to university presidents, and influential board chairs to top policymakers. Committed to examining the complexities of developing a workforce skilled in science, technology, engineering and math, these leaders bring their key insights, innovative strategies and industry best practices to develop solutions for advancing this effort. An executive-level event with significant impact, **Workforce of Tomorrow** aims to ensure a strong future for STEM education and employment.
